HIGH YIELD CHECKING

Truth-In-Savings Disclosure

Rate Information. At our discretion, we may change the interest rate(s) for this account.

The interest rate(s) and annual percentage yield (APY) are shown on the current Rate Sheet and may change at any time.

Additional Rate Information. Annual Percentage Yield (APY) assumes principal and interest remain on deposit for one year. The minimum balance required to obtain the stated Annual Percentage Yield is calculated based on the collected balance in the account. Any fees charged on these accounts could reduce earnings.

Crediting Frequency. The interest will be credited into this account at the end of each statement cycle. Depending on the statement end date if interest earned is greater than interest paid the difference of the interest earned will be paid on the following statement.

Compounding Frequency. The interest will be compounded daily.

Daily Balance Computation Method. The interest is calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.

Accrual of Interest on Noncash Deposits. The interest will begin to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks) into your account.

Minimum Balance to Open. \$50

Minimum Balance to Obtain the Disclosed Annual Percentage Yield. You must maintain a minimum daily balance of \$1.00 in your account each day to obtain the disclosed annual percentage yield.
